## Charts and info for the Altavia Champion favors

Thread colors:
Green (DMC 505)
Gray (DMC 169)
Black (DMC 310)
White (DMC B5200)

Fabric:
White, 14 count cross stitch fabric

Cross stitch with 3 strands of each color.

The Fret section is on the top of favor, and one of the champion sections is worked directly below it, with no unworked space between the two.

Contact the Head Lady In Waiting to sign up to stitch a favor (she has the list of which champion favors have been assigned).

The color patterns for the fret (top) section and the champion (bottom) sections are on the Color version page (tab at the bottom of this page).

A charted pattern for the fret (top) section is on the Charted Fret page (tab at the bottom of this page).
Some find this easier to follow for the fret than the color pattern.

Patterns charted by Lynnette de Sandoval del Valle de los Unicornios, for the use of the Barony of Altavia, Caid, SCA.

HARP Favor: The harp strings are worked in a running stitch with a single strands of white thread.
