You and the *Compendium Caidis* (aka the Caid wiki)

wiki.caid-commons.org

The *Compendium Caidis* contains over 5,000 “Populace” pages, each of these pages is devoted to information about an individual Caidan -- listing their contributions in service, arts, a combat, persona information, achievements, and more.

Each member of the Caidan populace is welcome and encouraged to create and update a page about themselves. This is our record of our group, and we’re all part of that!

Creating your own wiki page and keeping it updated is a great way to keep track of your journey in the SCA. It forms a scrapbook of your activities and accomplishments. It also makes it easier for other folks to find out who you are and what you do!

The *Compendium Caidis* is built by the members of Caid, you too can get access to create and edit pages – follow the steps at https://caidwiki.org/index.php?title=Help:New_Users in order to become a commenting member of *Compendium Caidis*, and share your knowledge. Or you can request that a Compendium editor create a page for you. Do that in the Compendium Caidis Facebook Group at <https://www.facebook.com/groups/282828621917471/>

If you wish to submit a photo or other artwork, refer to <https://caidwiki.org/index.php?title=Help:Media> for instructions. Info you’ll want to start with on your page:

- What is your **Persona Name**? (This is the one requirement ... all populace entries are listed by persona name, so you must have one at least submitted to the Heralds to create a page.)
- **Personal Photo** / Photo Caption / Photographer (This should be in garb so we know what you look like at events)
- **Device Photo** / Device Caption. / Artist
- What **Territory** do you belong to? (What’s your home group, or the group you play with the most?)
- What is your **Status**? (Active, semi-active, etc.)
- What is your **Preferred Title** and **Preferred Pronoun**?
- What is your **Status**? (Active, semi-active, etc.)

Then you can think about adding:

- What is your **Persona Story** (if you have one)?
- What **Household(s)** do you belong to?
- Do you have or are you a **squire, apprentice, protégé, student, etc.**?
- What **Offices** have you held in the SCA?
- What **Events** have you staffed?
- What **Projects & Publications** have you been involved in?
- What **Arts & Sciences** are you interested in? What photos do you want to include on your page?
- **Anything else** you would like to include? (for example, website URL?)
